TO: The FBI and AG offices in Atlanta and Washington D.C. remain DEADLY silent about Robert Dee Rose, Dob 1971.April-01 because ROSE has a few key people inside these agencies deleting all investigations of his multiple FineHomeTechnologies.com Homewaves.-com cyber crimes and massive IRSWhistleblower Feb 2009,658 evasion worth well over \$500 Million USD in criminally acquired assets.

Over 85 USGOv officials face prison time for false testimony and signed court documents of 4:11cr112 held **HostageForProfit.com** by conspirator AUSAG Dee Sterling in Norfolk VA that all point to ROSE and the cancelled TPO 11.1.1171.99 dated July 15,2011 so NO 922(g)8 violation could have ever occurred at Langley AirForceBase Sept 25, 2011. Details are going to Associated Press and the USA Military for them to hold USA government responsible for NOT protecting KEITH's life with Federal Witness Protection Program. Notice NO Date or Signatures on the original ARREST warrants signed in Cherokee County GA on Sept 26, 2011 right when Keith called OSI Capt Christopher Weber at 757-764-5087 x5091 as USA **Military will be investigating FBI and AG if they REFUSE to protect Keith's life**. New Market Completed.

is recreated repeat of the New Market system that eliminates all stock markets, banks, almost all brokers, price fixing, and crime enterprises all at one time. SolutionPEACE COM = Kbitcoins profitsharehodlers finalstockmarket is the ONLY answer methodology.

Even Warren Buffet will be OVERJOYED to see these solutions and dispatch his NetJet Pilot Michael (atlanta GA cityClubBuckhead) To escort me back to USA.

This delivered in person and by direct email to john.Yates@MMMLaw.com (rain maker or ??) 4444 Peachtree Rd @ Buckhead club 26Flr of Atlanta GA back in summer 2011. He demanded \$10,000 USD before he would have a simple sit down f2Face worth trillions of \$\$\$ to our world of forsaken uneducated blinded people. Many are fools, fewer are those who see the economic power of simplistic engineered economic modeled solutions that return our world to all small business class fair free trade barter exchange marketplaces worldwide. As all nations have most components of self producing all required services and products for local consumption. This eliminates need for trillions of \$\$ spent on fossil fuel for shipping, taxes, tariffs, regulations, customs, and other crime enterprises. For everyone in the supply demand chain line from producer to consumers is taking your profits one pie piece at a time. Leaving the producers with slimmest profit markets and consumers with highest inflated end user prices.

All of these are compressed and refined to near perfection. Our people will see and respond by transitioning all markets to free trade and travel worldwide.

The basis is to **FLIP** the Downstream Pyramid profit capitalist schemes to Right side up flat on top and pinnacle on bottom when all leaders at corporate and government levels are highly paid consultant advisors who NEVER decide how to spend our profits and shareholder now 100% stabilized intrinsic value. This should have occurred after WW2 and even earlier. Spot light identified people have already been shown to be the worst culprits of our economy. By simply asking a few questions, our world can determine who is HONEST or LIAR-evil. Part of SolutionRedDot.com client3635.wix.com/CCWGuard broadcast and final SolutionJudge.COM reveals all.

The basis is who owns the common shares of stock (includes all employees) and eVotes on all major expenses and direction of their own company.

The founding partners and board of Directors (optional Board of Trustees) register their company with the proper regulatory authorities including registration of common stock modeled after Trillionaire valued stock CreatorKeith.com INC Reno Nevada Dec 23, 2014. 75,000 shares offered to qualified vetted investors and other angel philanthropists this entire time.

When new employees (partners) are hired, it is the responsibility of the original stock holders to split their stock and grant to their own downline as they are now 100% responsible for the productivity of their chosen people. No more human resources or firing of employees needed since this is the prime automated checks and balances systems our world MUST use with no delay. Once any corporation goes Public (IPO), the economic plans remain in place as the new stockholders now have full eVOTE rights to control the company expenses and subsequent profits that flow once they sell off their stock or take dividend profits. They can roll their profits back into purchasing new stock or contributing their expertise in barter exchange to increase profits of all.

ALL BENEFIT in our mutual Creators original purpose of free trade, trust, eCommerce, travel, education as **WE the people now own all infrastructure**. Once our world migrates to places of greatest opportunities and need, no more national barriers of Berlin Wall, Mex-USA wall, or any other free trade barriers can be used to profit the Criminal Ruling Elite as all kingdoms FALL with no need for any governments, Congress, mega corporations and ZERO underground crime enterprises once each crook is ordered to surrender or be manhunted down by SolutionMilitary, ChristDomain, SolutionJudge or even common people who see WHO has the crime assets. Even CRIMINALS will find OTHERS and eliminate each other similar to 'ESCAPE from NYC' movie decades ago. EJKs were legalized decades ago Matrix movie too.

The largest mega-corporations are now BOYCOTTED for their refusals by their executives to USE these most simple profound answers to create full intrinsic value of all assets. This is the ultimate economic power welded by our people of most competent merit demeanors.

To think that criminals used the single word 'inCompetent' and 'criminally insane' to order the 4 kidnappings of 900 days to present, and NOT a single Bible based DAMN soul has lifted any finger to DEMAND justice be served. therefore, we have already identified each person with IID FOIA.ONE.

We continue to broadcast the absolute truth of BOTH GOD's words of 11 commandments and the reality of your OLD age criminal society known collectively as New World Order and Illuminate. For 100% true, the antiChrists like ROSE are bent on depopulating our world so only a few survivors will be used as slaves to service their needs including being human sacrifices of meat once our world no longer can support agriculture once a single nuclear bomb non-satire 'Being There', twilight zone 'The talent of small war', 'Dr Strange Love', and other universal stabilizers have shown WHO are HONEST and WHO must be forced into PRISON for their refusals to surrender all their assets, confess their crime=sins, and become active productive citizens of our new world age society. Eye for an Eye is also the key for all criminals must be forced to make restitution. My claim to world fame is I work for GOD himself as my part time beneficiary and have fully claimed 1% of all crime assets to build your new world society UNlocracy ORG.

####. Sept 5, 2019 back at riway.com Manila with Alona Diaz on Purtier Generation 6 supplement that is truly miraculous in pure nature like my original Mirapex (very long cast story) of HOW USA gov almost DRUGGED me to death +3 separate times to PREVENT any evidence from being presented to imprison thousands, millions of criminals. SolutionDrugs disclosed.

Back in RIWay.com seminar 5 e-Com Center MOA Manila. 144 persons present. I do not even bother voice recording today since that is another singular method to record business transactions with video part of the Universal Stabilizer system I copyright trademarked 10 years ago. Now we have a dew systemic simple system to stabilize our entire world so we can finally be sovereign foreign exchange ambassadors to speed travel faster than light the rest of God's universe. As I remain ONLY person here and abroad who records, stores, and forwards everything of benefit merit to mankind. Everything in GOD's world is connected by the breath of the Holy Spirit and owned by our GodFathers who have many names + true purpose since dawn of man. Muslims continue to grow + 33% percentage because of the Turks and others who have standardized their original Islam theology. Others with focus on Christians have splintered into many denominations and brain washed cults because of their false doctrines that benefit only their top leaders. Same as Politics and corporate enterprises as the smartest ones see how to dominant and control others. Throughout course of all history, few have left behind heritage legacy systems that eliminate all corruption crime vice and sin by pure economic common sense self-regulated checks and balances that instill true supply and demand auto-leveling systems that empower all to be free world barter traders and travelers.

What has become of Keith to date? Can't see any true reason to remain on Earth except for a very few apostle disciples followers(followKeith) and biz partners who see the reality of WHY I AM HERE... Since everyone passes judgement on others, we have now legal-

ized this vice long ago with eVOTE.one as long as each person identifies themselves and offers a Better= Best Solution set using SolutionPeace 5Steps that is part of our original creation of self-righteousness to fearlessly protect all rights of each other.

If I COULD have collaborated with World leaders decades ago, we WOULD have decades ago. Near impossible without our people COMMANDING our leaders take ACTION by example. Here is the true key to world reformation of all Digital Society of ONE International ID that drives all transactions of no currency and no FRAUD or crime as everyone including children carry eDevices and most use BT Keyboard and webcams to ensure our people are protected from any crime network. The integrity rating system is the original normalized Referential Integrity of databases I=we created and perfected back in 1976 era as we collectively built micro logic controllers of our own design and program coded them in assembler to be multi-tasking, interrupt driven, multi user, mega function databases of AI singularity. This was our original purpose in life to create all digital society free of all crime. Easy once our world uses the linked URL's as our purpose for being here is now completed.... Who will actually USE our profoundly simplistic method technology? Entire world. Our entire economy becomes instantly eDevice searchable for Wisdom and Knowledge that withstands the crime perpetuated throughout all ages. Enough stated...

Our entire system currently is designed by 'ALIEN CRIMINALS' who want to drive us insane so we will NEVER UNIFY our world under our forsaken Creator. For everyone is FORSAKEN,

clear and simple. Sept 6, 2019 and WHY I have been asking to go BACK to HEAVEN so my crusaders can finally explore the rest of our universe WITHOUT humans...
